## **GRAND OPENING OF THE BONIFANT**

**Silver Spring, MD, July, 14 2016** —Donohoe Construction joined co-developers Montgomery Housing Partnership and The Donohoe Companies in the grand opening celebration of The Bonifant at Silver Spring yesterday.

The \$44 million mixed-income, 11-story residential apartment building is located in downtown Silver Spring, Maryland and fills a critical need for affordable housing for seniors in Montgomery County. Active seniors seeking independent living benefit from the residential design by architect, VOA Associates, featuring 10 studios, 119 one-bedrooms, and 20 two-bedrooms, a large community room for entertaining, a cyber café with computers and printers, a fitness center featuring senior-specific equipment, secure-access entry and on-site management, an outdoor terrace, and incorporated green space.

The Bonifant is within blocks from Metro, retail, grocery stores and the new Silver Spring Library. This project also includes 6,300 square feet of retail space.

Donohoe Construction broke ground on The Bonifant in June of 2014 and successfully delivered the project on time and under budget.
